Patient Consent

Population Health

Now, Patients Can Download Consent Forms to Say 'YES!'

HealthlinkNY is the first in New York State to offer patients downloadable consent forms customized for each of their participating providers.

Providers

\$\$\$ Incentives Available, But You'd Better Act Fast!

If your organization has at least one DOH-registered Medicaid provider, you may be eligible for the Data Exchange Incentive Program (DEIP). Seize this great opportunity now—funding is limited—and you'll need to go live by Sept. 30!

Interoperability

5 Questions for Lindsay Farrell, Vice Chair of HealthlinkNY's Board of Directors

Lindsay Farrell says regional connectivity has vastly improved in the Hudson Valley since Southern Tier Health Link and THINC merged to create HealthlinkNY. Now providers need to catch up.
